NARRATIVE REPORT	INTERIM	FINAL				
Items 1 and 2						
No change since stop work order has been in effect on printer #2.						
The fortieth monthly letter report, covering the period from 1 October through 31 October 1967, has been received.						
Fr inter Fo						
GIMRADA is continuing acceptance tests and in spite of the loss of resolution problem, which has caused considerable delay, hopes to finish by the end of December. They have been asked to provide written notice of acceptance by that time, if at all possible, so that we can initiate termination procedures for printer we and close-out the contract.
